1854

# Letters
## to the
## Society of Inquiry
## 1833 to 1854-

I have arranged these letters from the year 1833 to the present time, interleaved so as to permit any remarks to be made. ~~No letters omitted in the year 1833~~. Some large letters have been omitted, so as to allow them to be bound in a convenient size. Be careful, brother correspondent, to fill your office faithfully!

Charles Harwood Malcom
Cor. Sec. -
